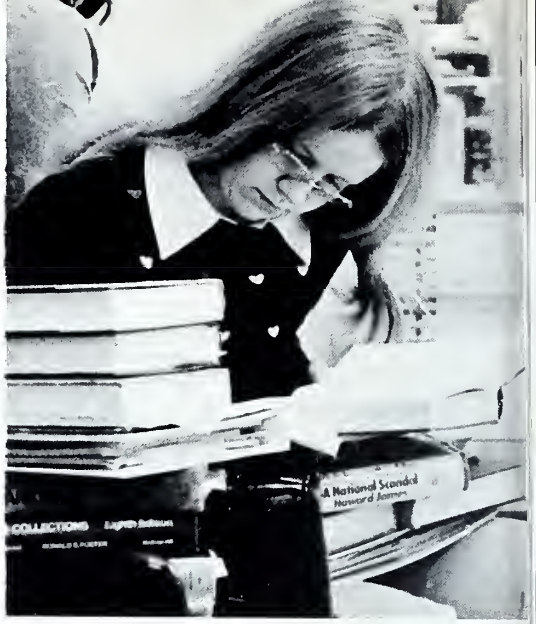
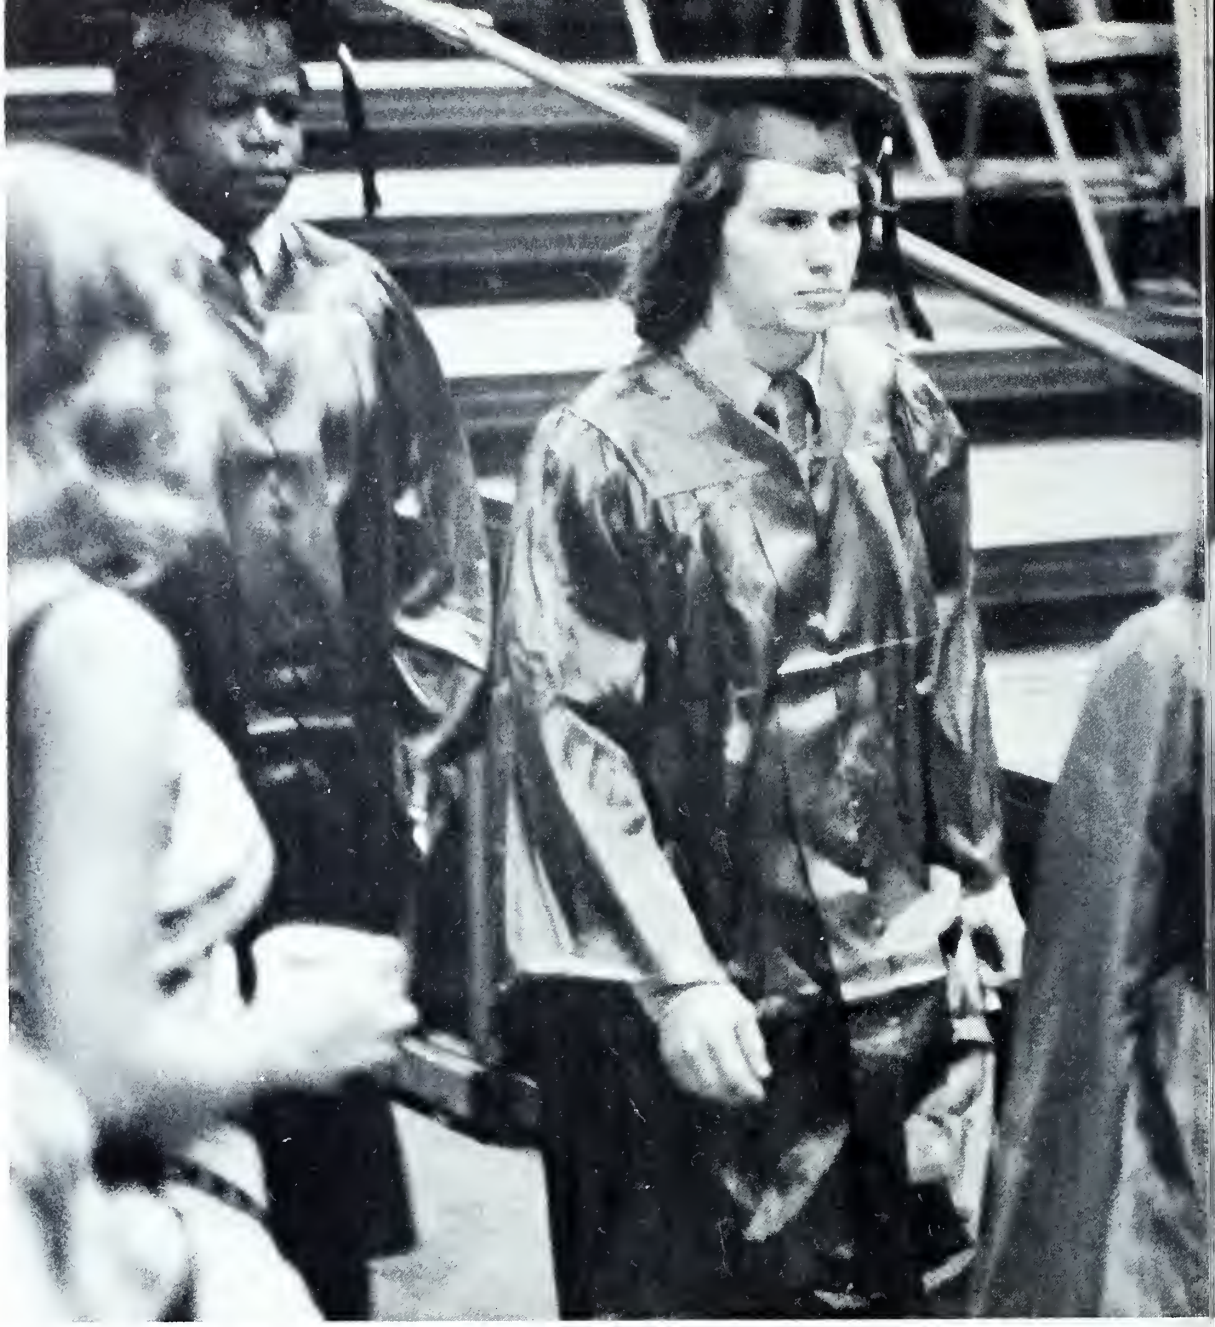
INFORMATION
VISITOR PARKING



THE SHADOW ON THE DIAL,
THE STRIKING OF THE CLOCK,

THE RUNNING OF THE SAND,
DAY AND NIGHT, SUMMER AND WINTER,
THESE ARE ARBITRARY . . . SIGNS.



THE MEASURE OF TIME,
NOT TIME ITSELF,
IS THE LIFE OF THE SOUL

COLORED LEAVES,
CHILLED AIR,
A NEW YEAR BEGINNING

ORIENTATION

OCTOBERFEST

Speakers, crafts, music, and refreshments - Fund raising for the Smith-McDowell House - All part of our Mountain Heritage Fair.

LEADERSHIP WORKSHOP AT WCU

Students and faculty spent two days learning about leadership, communication, and the importance of a consensus. Afterward, fellowship continued beyond the curfew hours.

ELECTION DAY

Many qualified candidates . . . Convincing speeches . . . BBQ lunches on the lawn . . . Two hours out of class . . . Ballots counted - winners announced . . .

With new officers the student senate resumes its duties. Dedicated students attend 7:00 AM meetings working for a better student-administration rapport.

BLOODMOBILE

A time of giving . . .
A GIFT OF LIFE

"I CAN'T BELIEVE IT!"

The Queen and her court created the magic of the moment.

Second Row, L. to R., Bill Rothweiler, W.C. Hare, Shawn O'Conner, Toby Liford, Ralph Johnson, Larry Suber, Jim Rhea, coach.

GO ATOMICS!

After many hours of hard practice and getting used to the new men on the team, the Atomics got it all together for a winning season.

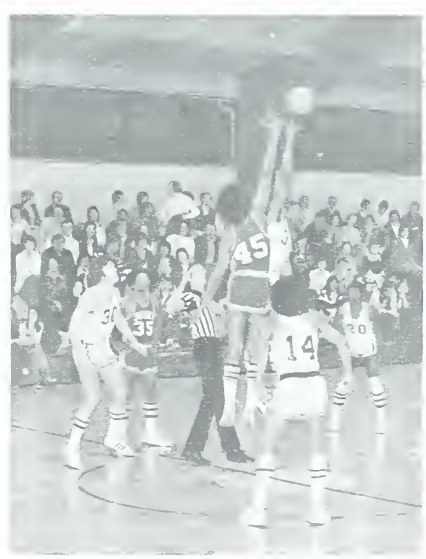
SPORTS ACTION



On December 19th our own Santa Claus came to town. Santa's gifts, purchased and gift wrapped by the student body, were presented to children who would have otherwise missed Christmas. The children left the party pleased and happy. We are thankful to the students who donated their money and time to make the party a success.

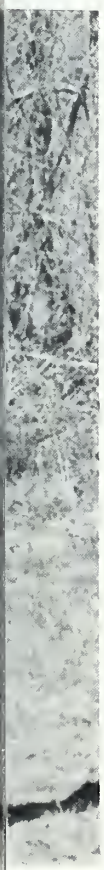
FRISBEE CONTEST

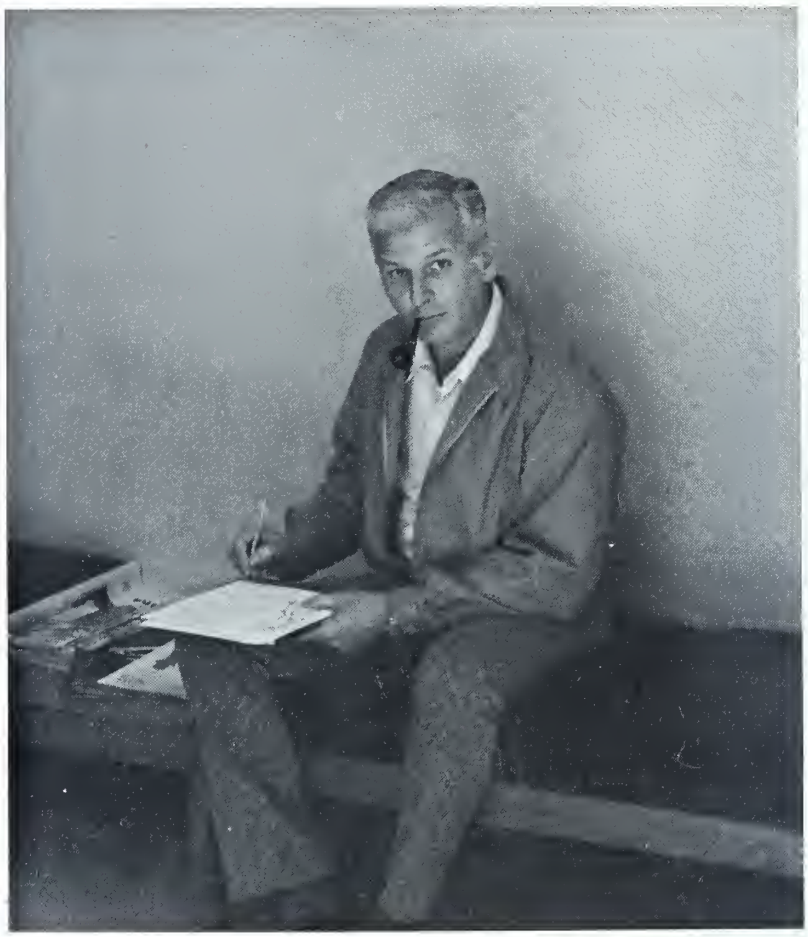


On April 5th through 9th A-B Tech held its first annual Frisbee contest. Many people entered with Electronics winning both team and individual events.

ISOTHERMAL SPORTS DAY

On May 6, 1976 A-B Tech participated in the 4th Annual Isothermal Sports Day. Patricia Bennett, Carol Chapman, Charlene Jaynes, Laura Lamm, Vickie Stempson, Kathy Wyatt, John Barnett, Craig Bell, Mark Braine, Charlie Bryson, Tim Glavich, Jim O'Dier, Butch Robinson, and Mike Wood competed in events such as Frisbee toss, softball throw, 100 yard dash, checkers, ping pong, tug-of-war, tennis, cross country and various relay races. A-B Tech came in second place in overall points for the day.

J.A.D.H.A. WALKATHON



The Jr. American Dental Hygienists' Association sponsored a walkathon on April 10th to raise money for the scholarship fund. We would like to thank President Haynes and the 4 students out of 1600 that walked. Also thanks to the workers and all other sponsors for their donations.

GOLF TEAM

Golf Team members are Ron Wilburn, BA; Rex Cutshall, Drafting; Jeff Davis, BA; Bill Cook, Drafting; Stan Turner, HRM; Charles Crowley, HRM; and Bill Stroup, Machine Shop B.

DEDICATION

May 4, 1976

Dedication of administration building in honor of our first president, Thomas W. Simpson, took place on May 4, 1976. Visiting dignitaries from the North Carolina Association of Community College Presidents and the Department of Community Colleges were on hand to give tribute to Mr. Simpson and participate in this occasion. Mrs. Simpson and daughters, Brenda and Sharon, were presented resolutions expressing the esteem felt for Mr. Simpson, A portrait, painted by Robert G. Kensinger, was also unveiled and placed in lobby of the administration building bearing his name.

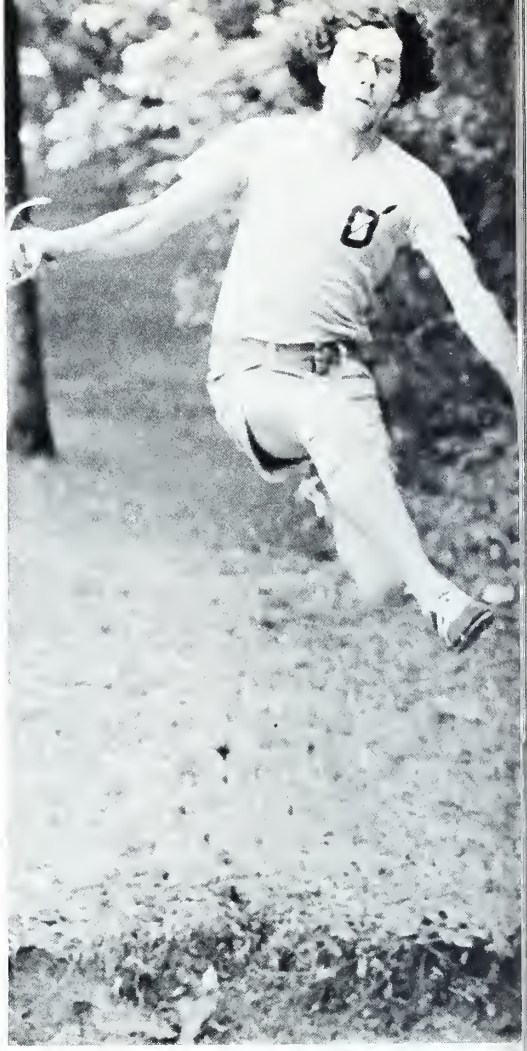
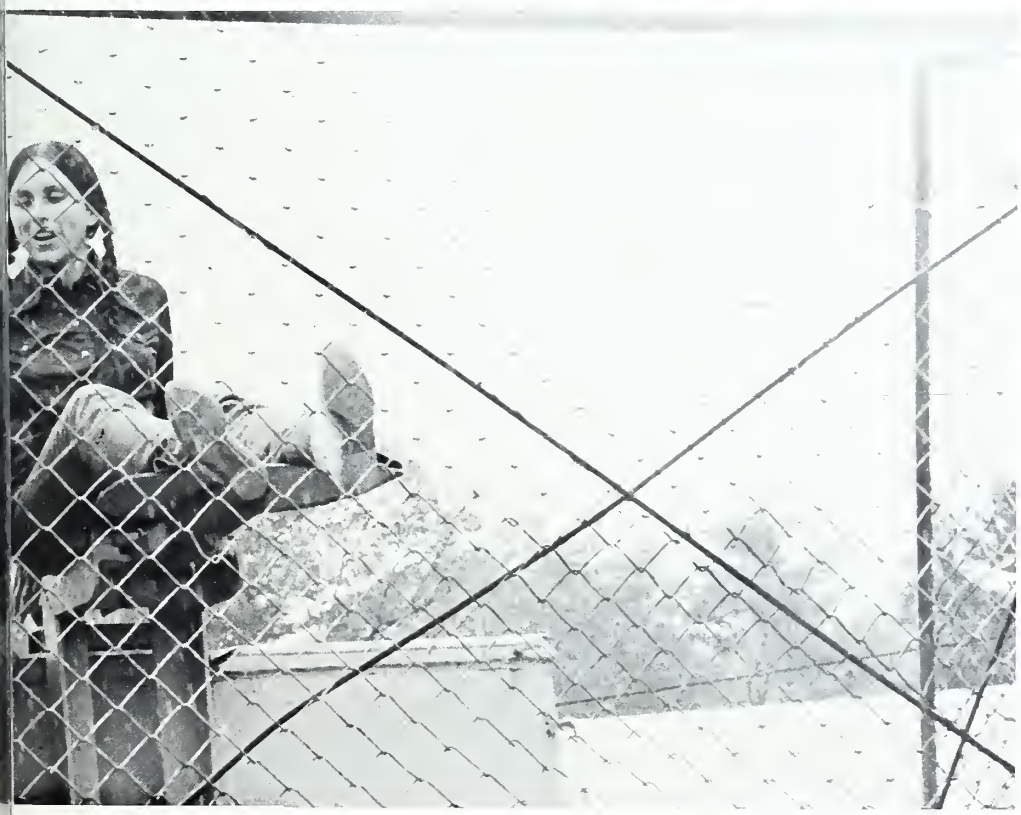
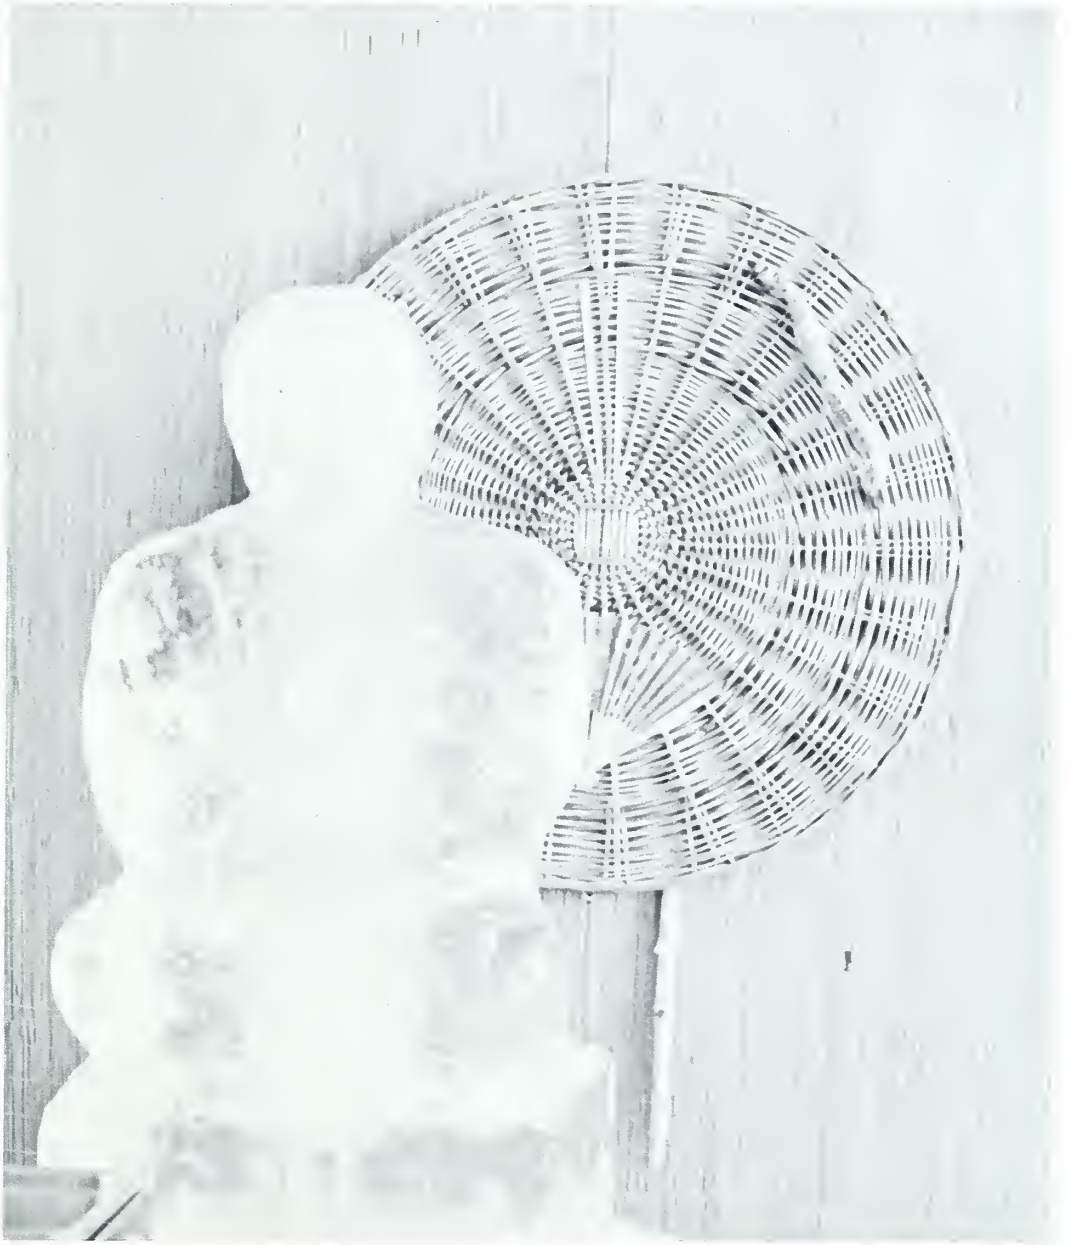
FIELD DAY



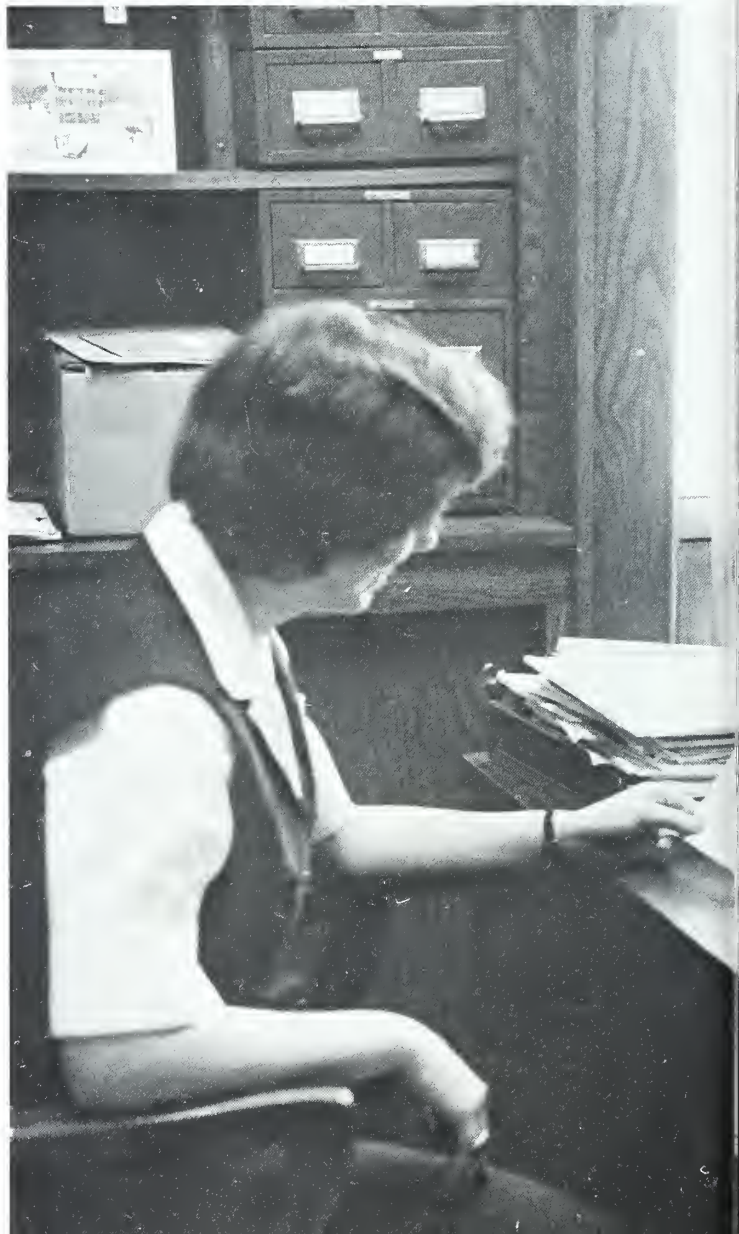


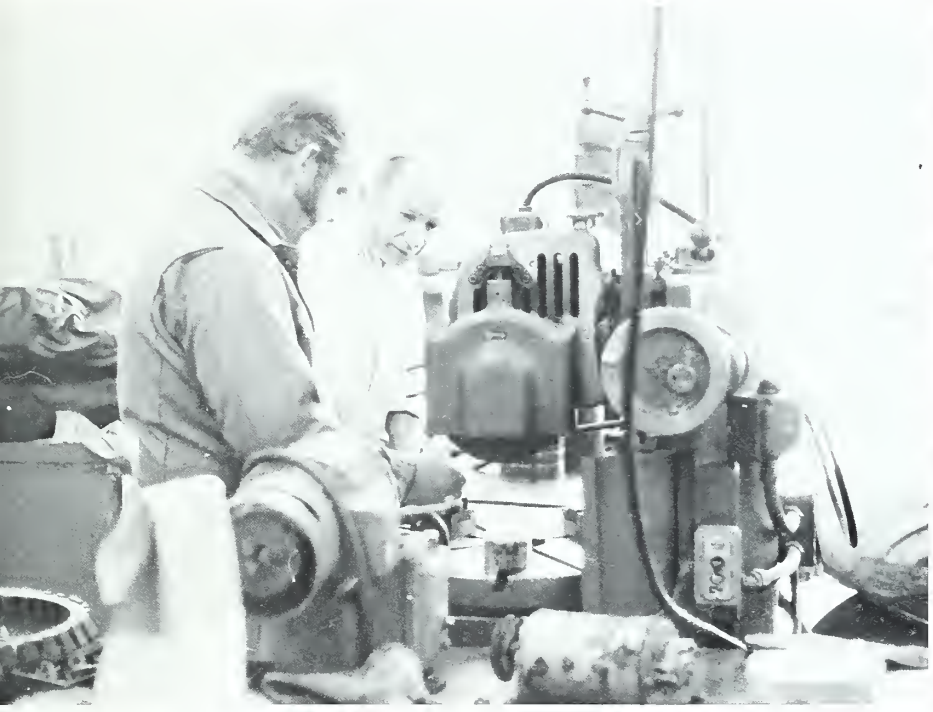
Field Day is an annual happening which was held on May 7th this year. Drenched volunteers took their ups and downs in the dunking booth to earn some money for the scholarship fund. A barbecue was followed by relays and games which interested the participants as well as the spectators.

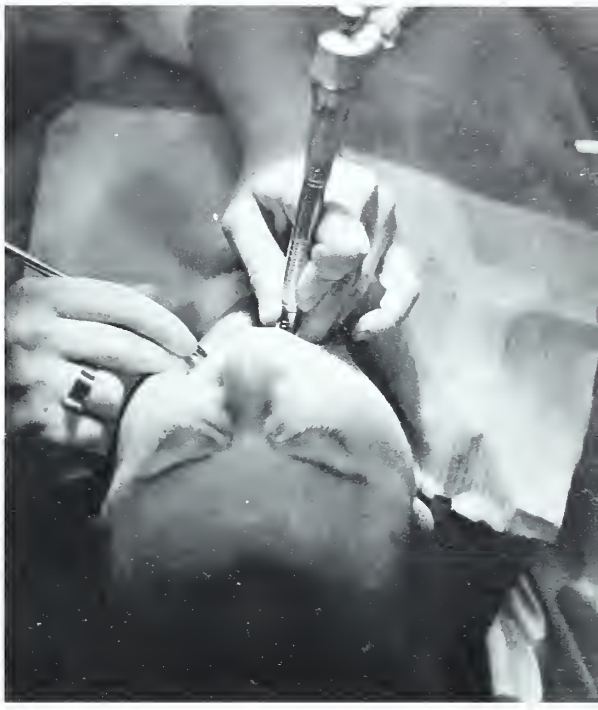
A small touch of the Orient was presented to the students by the Hospitality Division. For those adventurous folk, chopsticks were available. Whether forks or chopsticks, the food was out of this world!



COMPUTEC



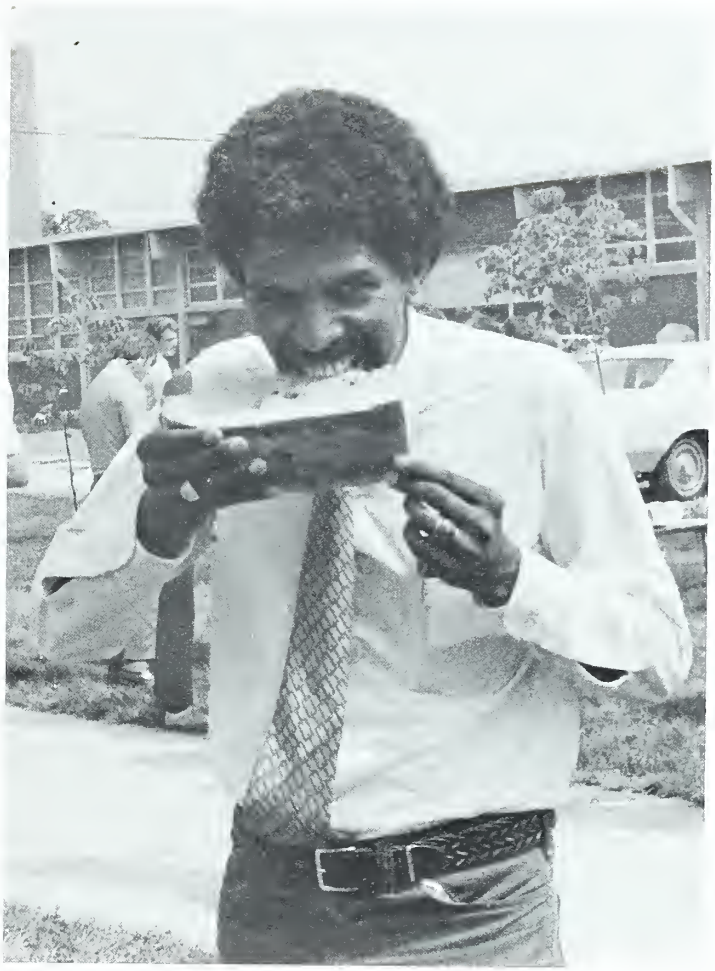


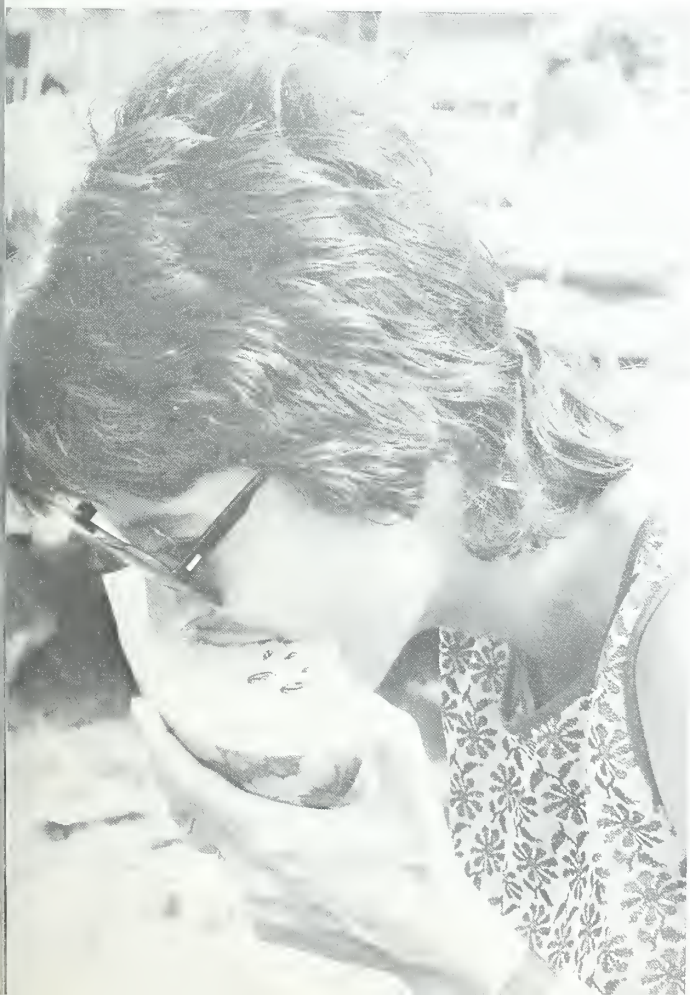


SUMMER

SUNNY DAYS,
WARM NIGHTS,
A TIME TO ENJOY

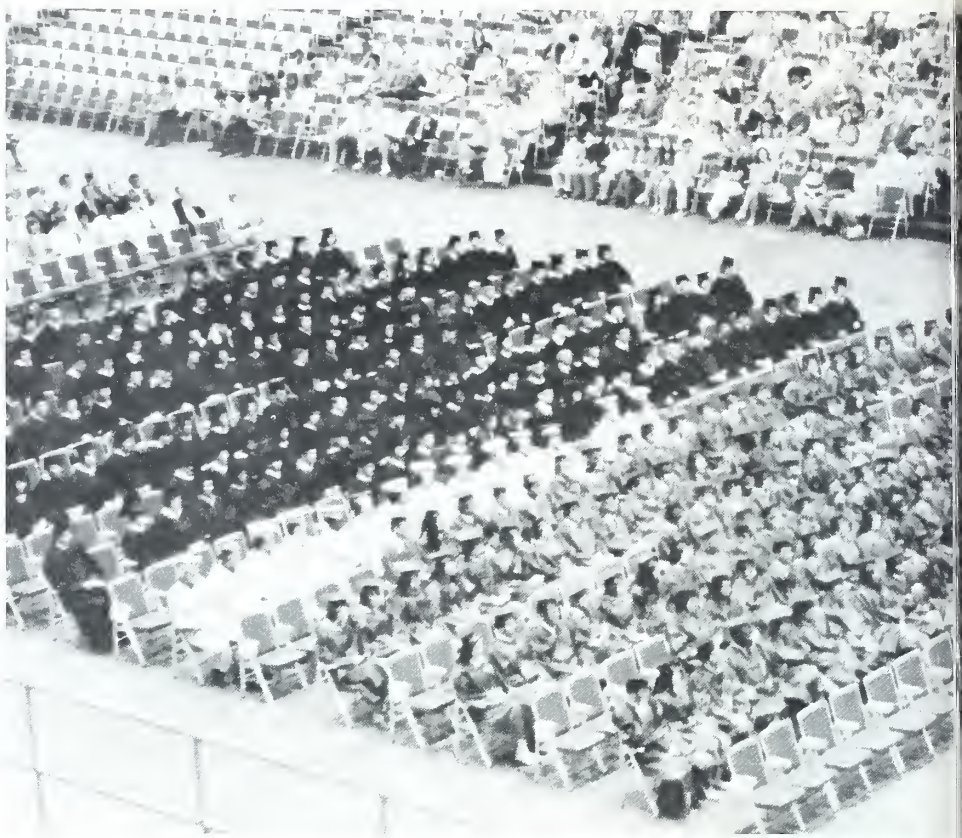
Friday before July 4 is the Annual A-B Tech watermelon SLURP!! Students enjoy a day of relaxation and all the WATERMELON THEY CAN EAT.





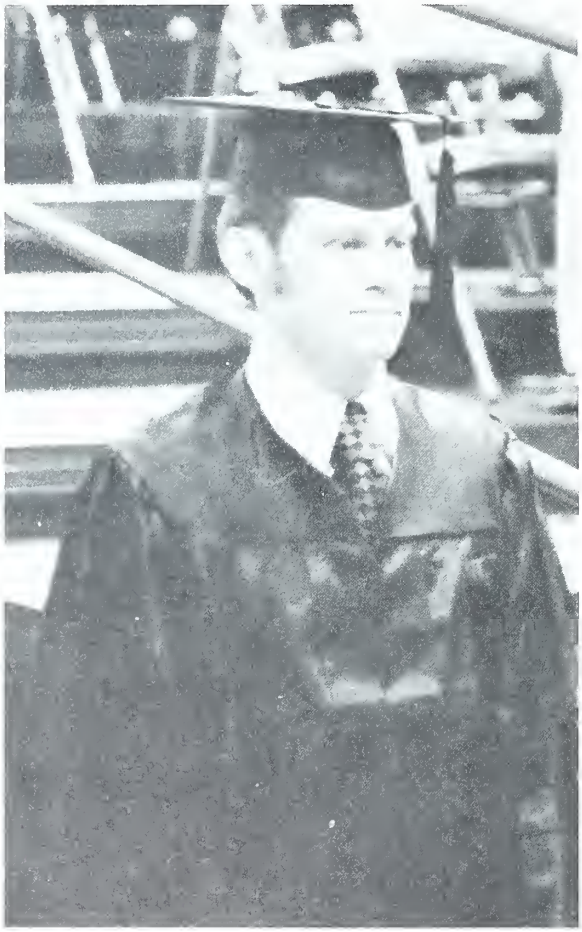
HAPPY BIRTHDAY AMERICA

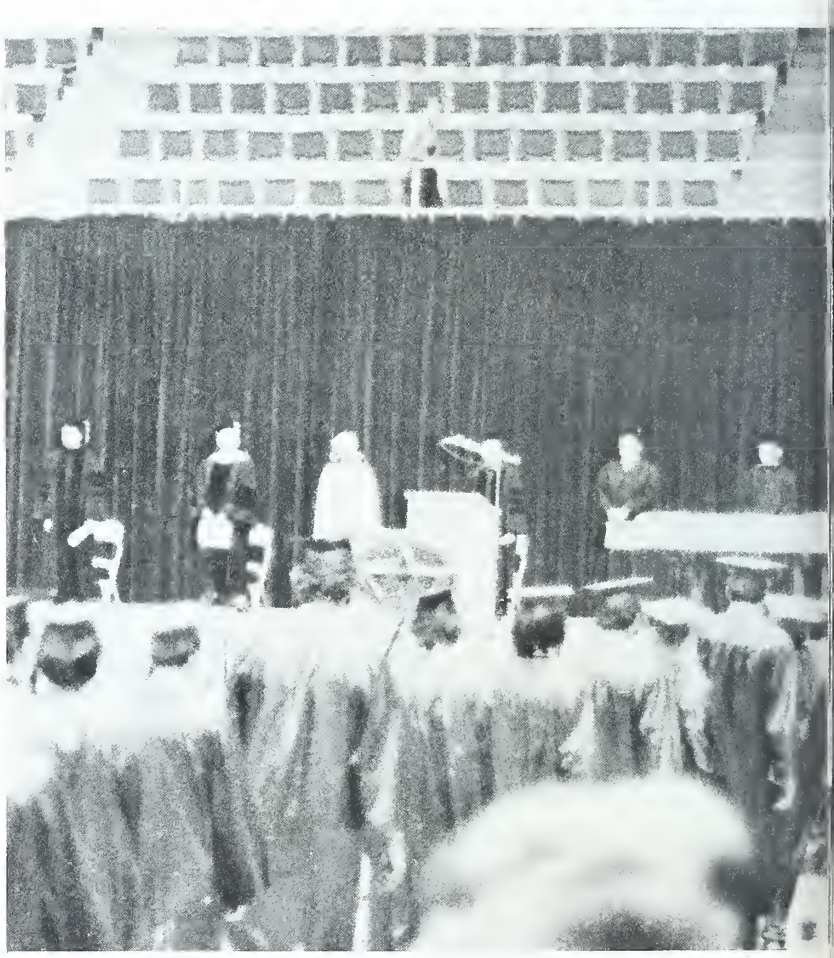
Our Hospitality Education Division celebrated the event with a Bicentennial Buffet. The menu represented the foods of Colonial Williamsburg, and the costumes reflected the historic, colorful Revolutionary Period.

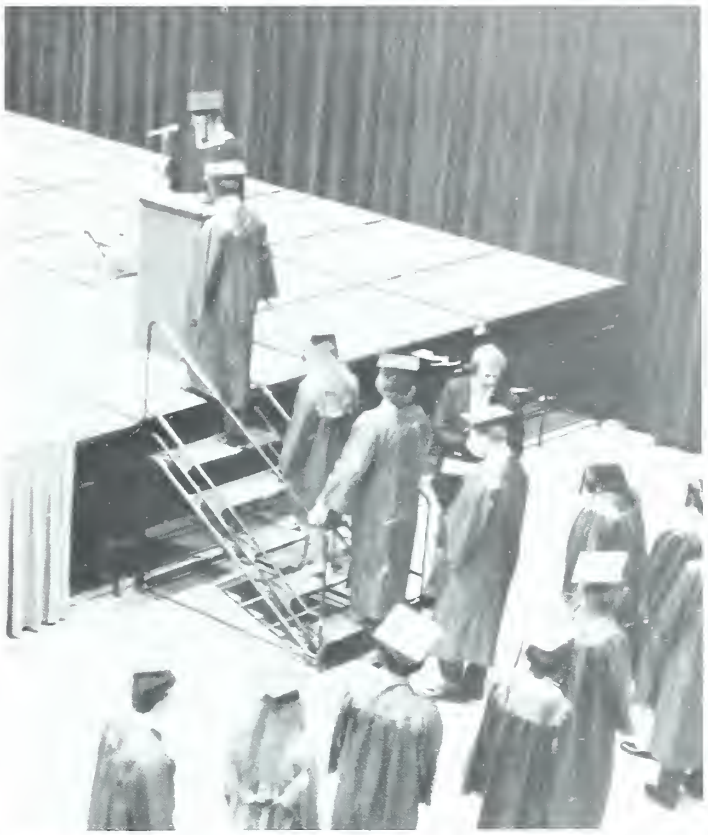


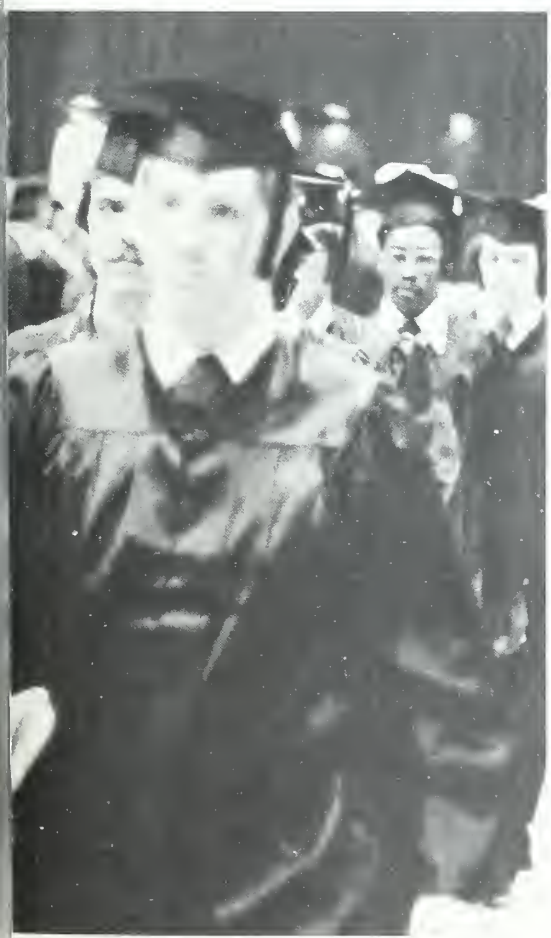
GRADUATION

Time goes, you say? No!
Time stays, we go . . .









Months of hard work were a prelude to this anticipated moment. Smiles, presentations, diplomas, and farewells complement a happy day.

6 on "WHO KILLED JOHN F. KENNEDY"?

Mark Lane is a lawyer, author, filmmaker, ner member of the New York State Legis- re, founder of the Wounded Knee Legal ense/Offense Committee, and the only c of the Warren Commission Report on assassination of John F. Kennedy who ducted an investigation into the murder who testified before the Warren Commis-

Judgement," and the Zapruder film, a pre- viously suppressed document, that actually shows the assassination of the President and disproves the government theory of how John F. Kennedy was killed.

Mrs. Carpenter of Student Services says that "we are very fortunate to have Mark Lane speak at A-B Tech," and that "shortly after the contract for Mr. Lane to speak to us was signed, his fee increased by $1,000".

STAFF

This has not been just another year in the short life of Asheville-Buncombe Technical Institute. The trauma of the untimely loss of our first president was certainly felt by all, and yet, in his own words "no viable institution can remain static." We, as an institution and system of education, stand on the threshold, and decisions now being made will determine our future as it relates to facilities. Yet, facilities do not completely determine quality of instruction or learning.

This year the staff has worked harder with more students. The leadership and dedication of the students has never before been equaled. Hopefully, thisinfluence will be passed along to the new students that enter this institution. It is our wish at the Institute that as you look back at your stay with us, you will be proud of your institution and that you will attain genuine happiness in whatever you do.

A-B TECH AT NIGHT . . .

When the sun goes down four days a week on the A-B Tech campus, up to 643 part-time evening curricular students converge on the campus to work toward degrees and diplomas in most curriculum areas. Consistently these students represent 33% to 36% of the total enrollment.

These evening students work full-time during the day and pursue their post high school education at night. For the most part, these students are older, more mature students with families and home responsibilities, but are dedicated to their studies for up to thirty-six months to earn their A.A.S. degree.

We are proud of our evening students and find them conscientious, capable, amiable and dedicated to the total purpose of A-B Tech. Many graduates return later as instructors, sharing with other students their wealth of knowledge gained through study at A-B Tech combined with several years of work experience.

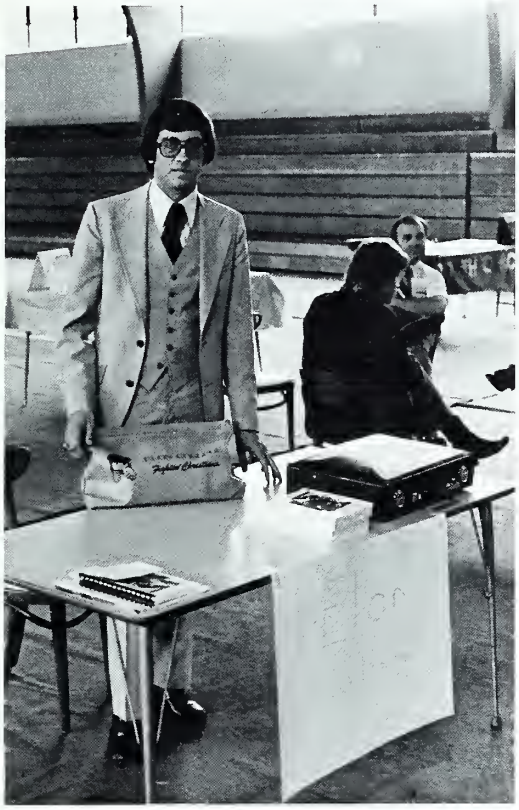
COLLEGE DAY



In spite of the rain, it was a perfect time to plan future education. Area college representatives were present to acquaint us with the transfer opportunities and policies in case A-B Tech was only the beginning. Western Carolina University, Warren Wilson College, The University of NC at Asheville, Elon College, and Mars Hill College were present.

We would like to express our appreciation to Dr. Baker Hamilton for his kindness and consideration of his students and all A-B Tech students. He has been an inspiration and encouragement to all, and his guidance will be missed.
